Dear Mr. Corless:

This letter is in response to your communication received 24 September 2007, requesting the status of U.S. national application **10/590,762**.

The United States Designated Office/Elected Office (DO/EO) has docketed the U.S. national application for preparation of the Filing Receipt. However, the USPTO is currently experiencing a backlog of applications awaiting examination. The filing receipt should issue in due course. The appropriate personnel of the Designated Office/Elected Office (DO/EO) to which this application has been assigned have been notified of your request.
